Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 100 pages. Dimensions: 8.4in. x 5.5in. x 0.4in. After almost a decade of writing columns for newspapers, magazines and websites resulting in hundreds of stirring and motivating columns, the author realized that many of her essays were inspired by lessons learned from her mamma. So it was appropriate and natural for her first book to pay tribute. Mamma's life lessons book - or Mamma would call it her words of wisdom book - is now available. The Gospel According to Mamma is a collection of twenty-one extraordinary lessons the author learned from her charming and captivating southern mamma. These mamma teachings are packed with sassy inspiration, practical insights and real-life anecdotes from her inspirational life story along with the author's own examples of trying to implement what her mamma had taught. Leaving Georgia with her mamma late one September night when her daddy was en route to end their lives marked the beginning of a lifetime of instruction for both of them. How to maintain faith in God and yourself, love the hell out of folks and be happy when there's no obvious reason to be are just a few of the messages you'll find in this book. PRAISE FOR THE GOSPEL ACCORDING TO MAMMA: Annette's first book is a winner! She picked the perfect subject - her irrepressibly joyous mother, who has given her daughter important and inspiring words of wisdom to cherish. If you yearn to help your daughter navigate life experiences with assurance and spunk, give her The Gospel According to Mamma. - Mary Jo Beebe, coauthor of Jesus Healings and New Testament Healings If only there were more mothers like Annette Bridges' mamma: always encouraging, always believing the best of her children, a steel magnolia whose motherly advice...
