Reviews

The very best ebook i ever study. It really is rally fascinating throgh reading through period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Coleman Kreiger)

UNIVERSAL LAWS UNLEASHED

Legacy Unleashed Press, Inc. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 8.5in. x 5.5in. x 0.6in. You don't have to be a business owner to be an entrepreneur. The word entrepreneur is from the French *entreprendre* meaning to undertake or to do something. We all undertake something, don't we? We get married. We have children. We build a house. We write a book---yet we have no guarantees that the marriage will last, the children will make us proud, the mortgage will get paid off, or the book will find readership (or even get published). And yet we do these things anyway. I believe this makes all of us entrepreneurs. And that's why the Laws in this book naturally apply to all of us and to every life situation, personally, spiritually, and financially. The *Universal Laws Unleashed* is more than a text designed exclusively to trigger the excitement of entrepreneurs or stimulate the proactive minds of small- and large-business owners. On a deeper level it is written to empower any individual to accomplish specific, targetable, even seemingly overwhelming objectives. At the core, The Laws are carefully crafted and cultivated to inspire purposeful change, intentional action, and thoughtful planning. Their strategies and truths apply whether the reader is a student, parent, entrepreneur, current business owner, or simply a goal-oriented, motivated individual seeking to establish a legacy that will last for, and greatly impact, many generations to come. In short, they lay out a proven pathway to personal success---however you, the reader, define it. This means, of course, that the Laws will resonate with the entrepreneur in all of us. I was not born with great genetic skills that allowed me to become a wealthy entrepreneur. I was not blessed with the brainpower of an Einstein or the creativity of a Monet. I...
