## Ghosts of New Orleans (Paperback)

By Larry Montz, Daena Smoller

Gemcraft Books, Australia, 2000. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. New Orleans is haunted. Its rich culture and stormy history make the city a haven for supernatural activity. Based on a six-year scientific study by the International Society for Paranormal Research (ISPR), this book separates facts from folklore and local legends, taking the reader on a fascinating trip through more than 25 different haunted properties. Spend a night in the Bourbon-Orleans Hotel, where there are many guests besides the ones on the registry. Stop by O'Flaherty's Irish Channel Pub, and find out why there are security bars on the third floor windows. Step aboard light aircraft carrier USS Cabot to encounter crew members who were lost years ago in a kamikaze attack. In addition to the thrill and suspense of the profiles themselves, this book is a firsthand account of paranormal research. ISPR, founded in 1972, is an internationally renowned organization devoted to the study of ghosts and the paranormal. The group has investigated properties worldwide, often with amazing results. With these expert guides, prepare for a fabulous tour of a spectacular city!.

### Reviews

*I just started off reading this article publication. This really is for all who statte there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).*

-- **Prof. Jeremie Kozey**

*Here is the best pdf i actually have go through till now. We have study and i also am certain that i am going to planning to go through once again once more in the future. You will not sense monotony at at any time of the time (that's what catalogs are for regarding in the event you question me).*
