How beautiful (faith and scripture) are the feet of them that preach the gospel of peace, and bring glad tidings of good things! The principal places, however, where the gospel might at this time be propagated with great prospect of success, are in America, among the Indians, and in Africa, among the Negroes, and others. There is a strong argument in favor of the Indians being converted to christianity, their being descended from the Jews. - St. Paul says that all Israel shall be saved. As this subject of great importance, it may be necessary to give it considerable attention. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
