Associate Member American Institute of Electrical Engineers, Instructor of Applied Electricity at the Sprin Garden Institute, Philadelphia.-Five years ago the author prepared:1 private edition of Lessons in Practical Electricity, which was published by the Spring Garden Institute for the use of its evening classes in practical electricity. The demand for the book arose from two facts: First--these classes. being composed of young men engaged in various occupations who desired to obtain a beginner s knowledge of the principles and arithmetic of applied electricity, were very large; Second--an unsuccessful attempt wrs made to obtain a book suitable for thoroughly supplementing a combined course of lectures and individual laboratory work.-The educational success attained at the Institute, and also at several other schools which secured the privilege of obtaining copies of the edition (now exhausted), and...

Reviews

Absolutely essential go through ebook. It can be rally exciting throgh studying period of time. Its been written in an exceptionally simple way in fact it is only right after i finished reading this pdf where basically modified me, modify the way i believe.
