Five years ago, Xavier escaped from the Ofarian Plant. Today he calls a Colorado mountain town home. It s there he buries himself in his work, swearing off magic and relationships until a woman threatens every promise he s made to himself. Cat has always known she is different. Water speaks to her on an uncanny level, and she channels this gift into beautiful painted waterscapes. Now, a gallery is debuting her work in Colorado and it ll reveal far more about her than she imagined. The spark between Cat and Xavier is enough to throw both of them off balance. Every tantalizing moment sends them dangerously close to a rising flood of desire. Dangerous because Xavier comes to suspect that Cat is an Ofarian his people s enemy. But they re both about to discover a far greater, more malicious power at play.
