But in the little time the haymaking lasted there came a stranger or so, folk wanting to see the mowingmachine. Brede Olsen was first, of course, but Axel Strom came, too, and other neighbours from lower down - ay, from right down in the village. And from across the hills came Oline, the imperishable Oline. This time, too, she brought news with her from her own village; twas not Oline sway to come empty of gossip. Old Sivert saffairs had been gone into, his accounts reckoned up, and the fortune remaining after him come to nothing. Nothing! Here Oline pressed her lips together and looked from one to another. Well, was there not a sigh - would not the roof fall down? Eleseus was the first to smile. Lets see - you re called after your Uncle Sivert, aren t you? he asked softly. And little Sivert answered as softly again: That s so. But I made you a present of all that might come to me after him. And how much was it?
