*This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Plough Publishing House, United States, 2016. Hardback. Book Condition: New. Heike Sistig (illustrator). 279 x 216 mm. Language: English . Brand New Book. It's time for young Prince Noah to go to school. The prince, who starred in the book The Prince Who Was Just Himself, may be a little slower than other students, but he has no less joy in learning. In his kingdom, children go to school on sailing ships. There is a ship for girls and one for boys. There is a ship for children with an eye patch, a ship for children with one leg, and a ship for children who are slower learners. No one knows why there are so many different ships, but it has always been that way. Then a terrible storm drives the ships into the hands of pirates. The boys and girls realize that they will only escape if everyone does what he or she does best. Through their adventures, they learn that diversity makes us strong and that every person has something to teach us. This delightfully illustrated fairy tale instills appreciation for children with Down syndrome and other developmental challenges, making it a valuable aid for teaching tolerance in the home or classroom.
