

## The Carnival of the Animals (Mixed media product)

By Jack Prelutsky

Alfred A. Knopf, United States, 2010. Mixed media product. Book Condition: New. Mary Grandpre (illustrator). 260 x 208 mm. Language: English . Brand New Book. A great way to introduce children to classical music. America's first Children's Poet Laureate has written all-new verses to accompany the composer Camille Saint-Saens's The Carnival of the Animals, and the illustrator of the Harry Potter books has turned these rollicking rhymes into a picture-book fun fest. Included is a CD of the music and of Jack Prelutsky reading the verses. A note to parents and teachers by Judith Bachleitner, head of the music department at the prestigious Rudolf Steiner School in New York City, suggests ways preschoolers can act out the music: tromp like an elephant, hop like a kangaroo, glide like a swan or, for older children, be creatively inspired by this joyful work.

### Reviews

*These kinds of pdf is every thing and helped me searching ahead and much more. It generally does not expense an excessive amount of. You wont sense monotony at at any time of your time (that's what catalogs are for regarding should you question me).*

-- **Prof. Angelo Graham**

*I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
