Excerpt: . . . 11 A further indication that we are successfully transitioning from a construction project to a visitor services operation is that the 11-foot model of the Capitol Dome was installed in March, and it is an impressive sight to see at the center of Exhibition Hall. Historic drawings and sophisticated technology were used to create this unique 3 - D model, and AOC staff ensured that every detail of the model is accurate. It is an important part of the CVC experience because it will allow children to have a very hands-on experience at their Nations Capitol. Video screens in the Senate and House Virtual Theaters have been installed and are being tested. Workers are now installing the 10-foot wooden doors on the east side of the Rotunda. The Capitol Superintendents Office has initiated relocation co-ordination meetings with future occupants, and has begun to identify its equipment and inventory needs to fully support maintenance operations. Outside, the East Front is taking on a much greener appearance with the warmer weather and the ongoing landscape restoration work being done. All of the construction trailers have been removed and crews have been preparing the grounds for sod placement and plantings. The sidewalk along First Street, NE. , across from the Supreme Court Building, has been restored. The CVC truck entrance which had been located there since 2002 has been completely dismantled and the area has been restored. We are pleased with the overall progress, and we believe that were on schedule to receive the temporary Certificate of...
