Modern Designs and Fun New Shapes Coloring Books for Adults: 100 Original Patterns (Paperback)

By Julia Brockmann

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. ALL patterns have been created by the author/designer, mostly from computer software. They are a series of mandalas and also some garden themed designs. Coloring has proven to be a very relaxing past-time for many adults and in fact children as well. It is a joy to sit and relax, colour and also be able to converse at the same time. When creating your own patterns it is often difficult to be social as well. The theme for this book came about from my love of drawing, painting and other crafts. Personally I love drawing, painting and coloring flowers but I also adore working with colors and experimenting with their different combinations. I encourage you to do the same in this book. You will find it easier to get shading with coloured pencils or pastels but you will get brighter colors with pens. If you wish to colour with paints I would suggest you photocopy your page and work on thicker paper. Images have been left without a border so you can extend the pattern...

Reviews

Absolutely essential read publication. It is amongst the most incredible book i have study. Your lifestyle period will be convert when you full reading this ebook.

-- **Dr. Meaghan Streich V**

This book might be really worth a read, and superior to other. This really is for all who statte there had not been a really worth studying. I am just happy to tell you that this is basically the very best pdf i actually have read through during my very own lifestyle and may be he best ebook for actually.
