Dept. of Education, Office of Educational Research and Improvement, National Center for Education Statistics, 1999. OCLC Number: (OCOLOC)42056293 Subject: Educational surveys -- United States. Excerpt: . . . THE 1999-2000 SASS SAMPLE SASS provides estimates for public school districts, schools, principals, and teachers at both the national and state levels. Private schools are selected to be representative at the national and association levels. The survey includes all charter schools and BIA schools. SASS uses a stratified probability sample design. This design entails selecting schools in the SASS sample first, and then surveying principals within schools, as well as a sample of teachers. In the public school sample, the district associated with each sample school receives a School District Questionnaire. The 1997-98 Common Core of Data (CCD) serves as the 1999-2000 SASS frame for the public school sample. NCES collects these data annually from all state education agencies. This frame includes regular public schools, Department of Defense operated military base schools, and special purpose schools such as special education, vocational,...
