

Connecting India

By S.D. Saxena

Konark Publication, New Delhi, 2009. Soft cover. Book Condition: New. 200pp. Connecting India is a tribute to the hundreds of thousand of people who have been connecting India from Kashmir to Kanyakumari and Kutch to Kolkata, in difficult weather conditions and in diverse circumstances. In the Telecom field India stands equal to the developed nations, as far as technology usage is concerned. Within the country telecom has been used as an effective tool to combat social inequalities and to spread information, which is essential for growth. This book will prove its worthiness if telecom can be the example to initiate a debate in society of how to bring amenities and infrastructural projects to the masses. It is such positive changes in ordinary lives that would put India in the forefront globally.
