V462 2004b OCLC Number: (OCoLC)60672080 Subject: Medical records -- United States. Excerpt: . . . 11 are three or four other things that are lurking out there that per-haps we need to do to make this thing happen Dr. J. One persons obstacle is another persons opportunity. AVITT One of the challenges we see, you know, coming down the road, is although CHCS II is focused on the outpatient setting, the DOD still needs an inpatient computer system, and the VA happens to have a very good one. At the same time, the VA has within its sys-tem relied on free-form clinical notes. And it is sometimes difficult to extract structured information from those free-form notes. That is an area where the Department of Defense has made some con-siderable investments and has shown some progress. So there is really an opportunity for cross-fertilization. The third and I think the largest opportunity is in the area of management of chronic diseases. Those are the patients with the biggest needs. Those are the patients that cost the system the most money. And that is...
