

Then Again, Maybe I Won't (Paperback)

Filesize: 8.36 MB

Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

Atheneum Books for Young Readers, United States, 2014. Paperback. Book Condition: New. Reissue. 208 x 138 mm. Language: English . Brand New Book. Get a guy's perspective on adolescent hang-ups in this classic Judy Blume novel, now with a fresh new look. That's an interesting way to solve the problem, Tony. Miss Tobin is talking about a math problem on the blackboard, but Tony is thinking about real problems. If his parents or his friend Joel or Joel's sixteen-year-old sister Lisa knew what Tony was thinking about a lot of the time, they'd probably freak out. About snitching on Joel, who Tony knows is a shoplifter. About watching Lisa undress each night and liking what he sees. About money and the changes money makes in people (especially his mother). Hung up at thirteen. That's Tony Miglione--especially this morning in math class in front of Miss Tobin, for everyone to see.
