

Who We Are - How Did We Get Here - Why Does It Matter Now: Living and Working in Harmony with Nature the Power of Our Surroundings to Shape Our Lives Is Profound.

By Suzanne Roe Dirsmith, Faar Na Ron Dirsmith

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****. This is a Story, that we have just written, the basis for a new Documentary film never before made, from a viewpoint of how, and why all Life . animal, plant and human, suddenly erupted after billions of Planet Earth's churning as a turbulent molten mass of material started . from the emergence of the first living thing, a single blue green algae some 2 billion years ago . thus connecting together all of us living today in some mysterious, magical way. Our investigations also revealed that there seem to be no books, articles, research papers, reports, scientific analyses or studies that have been published, which delve into trying to describe who were these remarkable Cro-Magnon Magdalaniens men and women were. Why and how were they so immeasurably different from all previous human life in terms of their high degree of intelligence, artistic capability and ingenuity . and then suddenly they disappeared totally as an ancient culture? Their one-of-a-kind skills and artistic capabilities were lost, not to be regained or developed by humans again...
