Ocean State Press, United States, 2014. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.As Tom Sheeran prepares to run the Boston Marathon, he comes across an envelope, stuffed into his bag the morning of the race. Written by his wife, the letter inside matches the course s 26.2 miles with the struggles he and his family have endured during the previous, sometimes heart-breaking, fifteen months. Joining Tom as he tackles the course from Hopkinton to Copley Square, the reader follows the gripping ride of a family s response to life s incredible twists in the road. Uniquely told from both parents points of view, THE MARATHON follows a couple s attempt to save both their child s life and their dwindling faith. In THE MARATHON, Sheeran courageously reveals the innermost thoughts and fears of parents struggling with experiences far beyond their control. Her true story uncovers the heart and soul behind one of the world s most historic races while beautifully demonstrating the power of inner strength, endurance, and human connection. Honest, humorous and raw, the emotions ring true from the start all the way through to an ending no one will predict. Of broad appeal to parents, athletes, medical professionals, and families in search of healing.
