Islands Press. Paperback. Book Condition: New. Paperback. 150 pages. Dimensions: 7.9in. x 5.2in. x 0.5in. The background chatter is becoming increasingly loud: America is facing a terminal crisis, a singular and perfect turning in its short history. While we stand as benefactor and apotheosis to an arduous historical legacy called Western civilization, the whole story - from its stunning beginnings in the ancient Near East nearly six-thousand years ago to the post-millennial American hegemony - the entire edifice rests upon a cluster of hypotheses about the world. These continue to shoulder our commonsense understanding of life, while thwarting any recollection of what was lost with the emergence of that history. Apocalypse is an inquiry into those remote and founding hypotheses. Rummaging through current global affairs these essays serve as a handle for unwinding some ingrained historical prejudices so we may overcome the forced erasure of our pre-historic past, and recover the memory of another, perhaps more humane way to live. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
