Into every life a little rain must fall is a statement that is commonly said during times of great testing and challenging times, but can we still call it rain when the floodgates of hardship and adversity bombard our lives? There are some adversities in life that we can encounter head on, face them with confidence, and easily recover. On the other hand, there are situations that we are confronted with that can reduce us to a state where we are stripped of strength, dignity, and ultimately, our true identity. When fiery trials seek to burn up our hopes and dreams, and attempt to destroy the very core of our existence, it takes more than a little rain to put that fire out! Our need to be resuscitated and brought back to life requires more than 12 steps, especially if those steps don't lead us to the Source of our true strength. Come face to face with a woman whose testimony will walk you along her miraculous journey from death to life. Her story proves, without a shadow of a doubt, that you can rebuild your life after it has come to ruins. Discover how your life can be transformed when you truly discover the Power within you. Learn that your life has been destined for greatness beyond your own ability or imagination! Take a look inside and see how God will give you Beauty For Ashes!.
