THE SCIENCE OF GETTING RICH: FINANCIAL SUCCESS THROUGH CREATIVE THOUGHT (PAPERBACK)

DOWNLOAD

COSIMO CLASSICS, United States, 2007. Paperback. Book Condition: New. 211 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.Many people are in need of more money. It is one of the most popular self-help topics and perpetual concern for many people in the United States and around the world. In his book The Science of Getting Rich, Wallace Wattles gives readers his program for becoming wealthy. Originally published in 1910, his method promises to work without failure because it is based upon exact science and infallible scientific laws. Sacrificing an explanation of his philosophy for brevity, Wattles provides readers a stripped-down guide on shaping the universe to their benefit through the power of positive thinking. American author WALLACE DELOIS WATTLES (1860-1911) overcame poverty and failure in his life to become a pioneer of the early self-help movement. Among his books are The Science of Being Great and The Science of Being Well.
