Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.the earth thousands of years ago? Where might UFOs come from? Is the devil real or imaginary? Could we have evolved from lower life forms? If God exists, why does he allow so much suffering? What really happens to us when we die? Do we have an immortal soul? What will happen in 2012? Will an asteroid impact end life on earth? THE UNSEEN: What Will Not Happen in 2012 seeks to answer these and other questions, challenging many popularly held beliefs about the unseen-in particular those relating to the spirit world and to what happens to us when we die. This informative and fascinating book also covers events portended to occur in 2012, examining some of the writings of Nostradamus, and looks into the future of the planet Earth through the author's eyes, based on his understanding of Bible prophecy. About the Author: Tim Frater grew up on a 100 acre dairy cattle farm in East Takaka, on the South Island of New Zealand. He currently lives in Shoalwater, a coastal suburb of Rockingham, in the south-west of Western Australia. He has also written As It REALLY Happened, an illustrated satiric re-telling of the story Snow White and the Seven Dwarfs from Dopey's perspective, as well as several children's books, including The Golden Saluki.
