## Nightmare in Training Area 15 an Initial Entry Training Perspective: A Story Similiar to the Defence of Duffers Drift (Paperback)

By -

Bibliogov, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Initial entry training is undergoing the most significant changes since our country entered World War II. The forcing function for this current change has been the U.S. Army s involvement in the Global War on Terrorism. Company commanders are expected to develop training plans that are relevant and that prepare our Soldiers for combat operations. Many of these Soldiers will see combat within 18 months of their initial entry training. The training outcomes we endeavor to develop in our Soldiers are high moral character, a commitment to living the Army s values and warrior ethos, confidence, adaptability, mental agility, and physical fitness, while being mentally, spiritually, and emotionally ready to fight as a ground combatant. Soldiers are expected to have mastered critical combat skills, warrior tasks and battle drills, combat weapons confidence, and combat care. Soldiers must be self-disciplined and willing and capable of solving problems commensurate with their positions and experience. As a company commander, I have the responsibility to train a gender-integrated company of approximately 240 Soldiers and 12 drill sergeants, 6 days a week, 11...
