RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 64 pages. Original publisher: Washington : U. S. G. P. O. , 2010. LC Number: KF26 . L27 2009f OCLC Number: (OCOLOC)645228902 Subject: Health services accessibility -- United States. Excerpt: . . . 11 services, supportive physical and social environments for health improvement, integration of health promotion into the organizations culture, and employee screenings 16 with adequate treatment and follow up. But in Denver, we heard about some workplace programs with promising and impressive results. The insurance company USAAs Take Care of Your Health program centers around simple health messages to employees and their families that are reinforced by programs at several levels, including individual health risk assessments and campus-wide policies. Wellness programs - ranging from on-site fitness centers and healthier food choices in work-site cafeterias to lifestyle coaching - are integrated with disability management, a consumer-driven health plan and paid time off. Participants have achieved reductions in weight, smoking rates and overall health risk status, and the decrease in participants workplace absences has saved more than 105 million over 3 years. CONCLUSION Whether or not a person stays well in the first place has much to do with his or her daily behaviors and environment. Our aim should be to stop poor health and disease before it starts and keep as many people healthy and out of the health care system as possible. Strategic investment in disease prevention and population health saves lives, strengthens families and communities, makes for more productive workers and reduces health care spending. By supporting policies and programs that keep us healthy, the government, the public health system, businesses, community organizations, schools and faith-based groups can do more to meet our collective responsibility to help citizens lead healthier lives. Even though America spends...
