iUniverse, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In July 2006, teachers of writing came together to share their knowledge, experience and creative expression in language arts as participants in the Meadow Brook Writing Project at Oakland University in Rochester, Michigan. Affiliated with the National Writing Project, the Meadow Brook Writing Project's 2006 Summer Institute provided these teachers with the opportunity to learn from each other and write together during a month of intensive professional development. In the Company of Writers 2006 is the wonderful anthology resulting from their collaboration. All participants, from elementary through college, returned to their classrooms in the fall, inspired and ready to pass on that inspiration to their students in order to help them become better writers.
