Not illustrated. 1900 Excerpt: . . . vital energy of the economy is being turned into order. Since this, then, is the natural form of recovery, we see we are gradually traveling back towards, the beginning of psora or its earlier forms. If you are treating a vicious form of scaly eruption, dry hard horny scales, you will, under accurate prescribing, notice these scaly formations disappear, but after the vital force has become strong enough you need not be surprised to see vesicular eruptions develop, for the original so-called disease had changed from its vicious squamous form to the milder vesicular form. Different names have been given to the skin diseases, but we see that names are of very little value. The different eruptions change into varying forms, but they are all from one cause, and will come back in their successive stages under true homoeopathic treatment. This is seen quite often enough to demonstrate what I am talking about, and from this alone we can ascertain that psora begins with the simple isolated vesicular form of eruption. At times you will be treating the more advanced and complicated forms of psora, where there are organic changes; after the patient gets the homoeopathic remedy for a while he comes to a stand still, seems to be doing nothing, but in the course of time vicious ugly eruptions come out upon the body. This is a good sign; in so far as the disease manifests itself upon the skin, or in catarrhal discharges, the...
