By Kevin L Michel

Kevin L. Michel. Paperback. Book Condition: New. Paperback. 212 pages. Dimensions: 8.9in. x 5.9in. x 0.7in. Quantum physics has revealed that objects can exist in more than one location simultaneously, even though the objects are invisible to us in all but one location, that is, parallel universes exist. This is most blatantly revealed in the mind shattering double-slit experiment and is at the core of what is called the measurement problem, in quantum physics. The results are startling, but this is what the science is clearly showing. It is human awareness that causes matter to fix into a single position, and reveal a single reality. The science is showing that at every moment we become aware of our reality, the universe splits into unseen parallel dimensions and we become trapped in just one of these many parallel realities. This is all powerful stuff but what does this mean for our lives What if you could learn how to access these parallel worlds that are being created What if you could do what many billionaires and great minds in history have done but have only hinted at. What if you could move through parallel realities in order to achieve unfathomable greatness. Abraham...
