## Realisation-From Seeing to Understanding: The Origins of Art

By Julian Spalding

Bitter Lemon Press. Paperback. Book Condition: new. BRAND NEW, Realisation-From Seeing to Understanding: The Origins of Art, Julian Spalding, Our world view has changed from a flat earth under the dome of heaven to a planet spinning in the universe. We perceived the world as a body, like ours, then as a tree, a pyramid, an altar, and finally as a veil which became a window through which we peered only to discover ourselves on a sphere, a bubble which might burst at any moment. Our changing views are interpreted through iconic images of the remote and more recent past: the Venus of Willendorf, the Pyramids, Stonehenge, the Taj Mahal, the Scream, Sydney Opera House, and the Guggenheim, Bilbao.

### Reviews

*This published publication is wonderful. Of course, it is actually engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Vickie Wolff

*Excellent electronic book and helpful one. Better then never, though i am quite late in start reading this one. You wont truly feel monotony at whenever you want of your time (that's what catalogues are for relating to when you question me).*
