Xulon Press, United States, 2012. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In this fascinating testimony, author Darrell Sroufe recounts growing up in a home wracked bymental illness; his teen years lost in sex, drugs and rock n roll; and nearly going insane after abad drug trip. Coming to Christ only a few hours before committing himself to a mental hospital, he soon found full deliverance. Then God opened doors for him to become a counselor, therapist and case manager in several psychiatric institutions.Witnessing the anti-Christian charlatanism of psychiatry while knowing the delivering power ofThe Great Physician first-hand, he recommended trust in Jesus Christ rather than psychiatriststo patients with mental problems. This quickly resulted in an ongoing conflict with thepsychiatric industry. In off-hours evangelistic ministry he did the same, recognizing that insanityis not relegated only to those locked inside psychiatric wards, but runs amuck everywhere insin-crazed society.Unmasking modern psychiatry, Loony Bin Blues reveals the practice to be a multi-billiondollar business more interested in money than remedying mental illness. Its spurious history, philosophies and ideologies are brought to light, exposing its occult origins and illegitimatepseudo-science challenges to Biblical authority in matters pertaining to the human soul.If you believe that mental illness is simply the result of diseases and chemical imbalances ofthe brain, or if you don t believe in spiritual realities, then you are in for a real surprise. LoonyBin Blues moves in and out of earthly, heavenly and hellish realms unveiling the truth aboutpsychiatry, insanity and emissaries of light and darkness who battle for the souls of us all.You can t make this stuff up.- S.T. Caballero, Georgia Medical Care Foundation of AtlantaA Christian testimony willing to tell the warts-and-all truth.- April Riggins, Life Impact International.
