

The Well of Saint Clare (Paperback)

By Anatole France

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I was spending the Spring at Sienna. Occupied all day long with meticulous researches among the city archives, I used after supper to take an evening walk along the wild road leading to Monte Oliveto, where I would encounter in the twilight huge white oxen under ponderous yokes dragging a rustic wain with wheels of solid timber-all unchanged since the times of old Evander. The church bells knelled the peaceful ending of the day, while the purple shades of night descended sadly and majestically on the low chain of neighbouring hills. The black squadrons of the rooks had already sought their nests about the city walls, but relieved against the opalescent sky a single sparrow-hawk still hung floating with motionless wings above a solitary ilex tree.

Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

-- Prof. Buddy Leuschke

Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.
