## INTERPRETING THE PAULINE LETTERS: AN EXEGETICAL HANDBOOK

[DOWNLOAD](#)

Kregel Publications, U.S. Paperback / softback. Book Condition: new. BRAND NEW, Interpreting the Pauline Letters: An Exegetical Handbook, John D Harvey, The inaugural volume in the Handbooks for New Testament Exegesis series, Interpreting the Pauline Letters begins by exploring the components of narrative--setting, characterization, and plot--and then develops the foremost theological themes in each of the books traditionally ascribed to Paul. The method sets the task of exegesis within the literary context of first-century letters as well as the theological context of major themes present in Paul's letters. The book goes beyond exegesis to discuss strategies for communicating the central truths of Paul's first-century messages to a twenty-first-century audience. Each chapter includes a list of helpful resources to the step of interpretation discussed. A glossary defining technical words and samples of moving from exegesis to proclamation make this guide practical and user-friendly. Designed as a handbook for seminary and graduate students, the book provides a go-to guide that will also serve seminary-trained pastors, upper-level college students, and well-motivated lay people. As readers work through this handbook, they will begin to see and interpret the narrative writings as Paul intended them to be understood.
