Pathways of Hope: Living Well with Cognitive Changes (Paperback)

By -

University of Wisconsin Press, United Kingdom, 2011. Paperback. Book Condition: New. 251 x 173 mm. Language: English . Brand New Book. I want to help doctors, caregivers, and persons with Alzheimer's disease to understand that this diagnosis is not necessarily a rapid death sentence. Charley Schneider I now have test results and a neurologist saying I'm improving my health! I hope others will pay attention to supplements [to medications], herbs, nutrition, exercise, mental stimulation, and environment as ways to better health. Karen Waterhouse This small but powerful book offers personal stories and important insights and information shared by twelve people facing early-onset Alzheimer's disease and/or other neurodegenerative disorders. Early-onset means that symptoms appear before age sixty-five, usually when people are in their forties or fifties, but some as young as age thirty-five. The book is a project of the support network forMemory, a group that connects individuals and their families affected by early-onset Alzheimer's and related diseases. Its aim is to increase emotional, spiritual, and physical wellbeing through actively and aggressively seeking ways toward prevention, slowing, and healing. The editors of this book, Christine Baum Van Ryzin, Mary Kay Baum, and Rosann Baum Milius, are sisters...

Reviews

This is basically the best pdf i have read through until now. It is filled with knowledge and wisdom I am easily can get a enjoyment of studying a created book.

-- Dr. Carmine Hayes MD

This is actually the finest ebook i have got study till now. I actually have go through and that i am sure that i am going to likely to read once again once again later on. Its been developed in an extremely straightforward way and is particularly simply soon after i finished reading through this ebook through which actually modified me, change the way i really believe.

-- Mrs. Maybelle O'Conner
