This is a manual, guide, and calendar with which you can establish a daily action plan with easy-to-use content, and apply it to your personal life and your organization. Design Your Mission, Vision, and Goals Develop Your Strategic Business Plan Learn Key Business Processes and Procedures When business owners understand how learning is a function of active creation that evolves and constantly adapts to environmental shifts, they start building successful businesses that address social, technological, cultural, political, and economic changes. Smartly Grow Your Business Prepare for Change Recognize New Opportunities The challenges business owners face today demand higher levels of knowledge and action. People must be personally and professionally competent in order to manage the material, procedural, attitudinal, technological, and social aspects of business with a comprehensive vision. Analyze Strengths Address Weaknesses Determine Tactics Business owners must be able to communicate and collaborate, to put into action the knowledge of the political, regulatory, and technological environment that affects their business, and to have technical mastery of training and productivity. Evaluate Competition Establish Partnership Agreements Protect Productivity and Processes Today, an entrepreneur creates growth in the market through experience and trial and error, because there is still a wide gap between the speed of change and the ability to adapt. Therefore, the survival of entrepreneurs may dramatically exclude those who do not take the path of knowledge management, the way of the evolution of knowledge based on action.
