Source: GAO analysis of survey data. a Differences between urban and rural districts are not statistically significant. The extent to which school districts emergency management plans and planning activities are consistent with other recommended practices varies: Develop Roles and Responsibilities for School Community Members. Based on our survey of school districts, most districts have written roles and responsibilities in their plans for staff such as superintendents, building engineers or custodians, principals, teachers, and nurses. Develop Roles and Responsibilities for First Responders and Community Partners. Based on our survey, we estimate that 43 percent...
