Faber Music Ltd. Paperback. Book Condition: new. BRAND NEW, Violin Grade 2: Violin Solo (New edition), Paul Harris, Now more than ever, the ability to sight-read fluently is an essential part of the training of musicians on an instrument. This workbook is designed to help overcome the nerves that can cause sight-reading problems by giving sound technical advice and confidence boosting tips. Step-by-step it helps the violinist to build up a complete picture of each piece, first through rhythmic and melodic exercises related to specific problems, then by the study of prepared piece with associated questions for the student to answer, and finally to the real, unprepared sight-reading test itself. Check-boxes for each stage allow both teacher and pupil to keep an eye on progress. The new editions of this popular series supports the new ABRSM string syllabus requirements from 2012, ensuring success in the sight-reading tests of graded exams.
