Hanen Centre, 2014. Softcover. Book Condition: New. To learn to read and write successfully, children need a solid foundation of early literacy skills. Parents, the most important teachers in a young child's life, play a critical role in building these skills before their child gets to school. Speech-language pathologists Janice Greenberg and Elaine Weitzman have taken the most current research in emergent literacy and broken it down into fun, easy-to-use tips and strategies for promoting early literacy throughout the day. Filled with practical ideas, clear examples, and useful checklists, the *I'm Ready!* guidebook helps even the busiest parent make early literacy-learning a part of every day. Taking a walk, reading a book, shopping for groceries. *I'm Ready!* transforms all of these routines into enjoyable opportunities for parents to prepare their child for reading success. Who should use this guidebook? . Parents or caregivers of typically developing children between the ages of 3-5 . Parents or caregivers of children with mild language delays who are developmentally at a 3-5 year old level . Family support professionals who are looking for practical, research-based tools to engage parents in their child's learning . Speech-language pathologists and other professionals looking to promote early literacy as a critical part of a young child's development.
