After his Navy career came to an end, Trey became an EMT in his hometown of Coos Bay, Oregon. He struggles with PTSD, which affects his ability to do his job and connect with his family. His wife seems to be living life without him. Rosette can't figure out what happened to her marriage, or to Trey the man she once loved so desperately. It feels like she'll lose everything along with him. Meanwhile, he's enclosed in his own world without her. Their marriage is on its last legs when their family is faced with two deaths and an orphan. They're already raising two young children and Trey's teenage brother, Alex. Trey and Rosette make a shaky agreement to play family for now so they can take care of Trey's recently orphaned niece. But can faking it ever be enough?.

## Reviews

*Merely no phrases to spell out. I actually have read through and I am certain that I will gonna study once again again later on. You wont truly feel monotony at any time of your time (that's what catalogues are for about should you check with me).*

-- **Jaiden Konopelski**

*Unquestionably, this is the greatest job by any author. It really is simplistic but shocks inside the fifty percent in the book. I am just pleased to inform you that here is the greatest book I actually have go through within my own existence and could be the greatest ebook for at any time.*
