S. economy experienced a severe economic recession that resulted in high unemployment, declines in personal and family income, collapse of the housing market, and more Americans living in poverty. There was also an increase in small business failures, plant closings, a greater reliance on government as a safety net for survival, and more individuals reporting mental and emotional distress. Other economic challenges experienced in the nation include financial instability, and reductions in economic output, business climate, and consumer confidence etc. The aforementioned hardships and difficulties experienced in the nation, and the resulting discomfort in individuals lives have impacted every racial ethnic, religious, political, and socioeconomic group. God's Provision During Economic Difficulty utilizes a case-study approach to examine some of the economic challenges confronting Old and New Testament saints. This approach explores how God met the economic needs of Job, Abraham, Ruth, David, Elijah, Nehemiah and the nation of Israel based on direct scriptural references, and the biblical confirmation of His provision. God's ways of handling economic difficulties are sure, available, and well documented. The faithful today should exhibit the personal faith and commitment of earlier believers to obviate the...
