Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Daniel Deronda, Vol. 3 Were uneasiness of conscience measured by extent of crime, human history had been different, and one should look to see the contrivers of greedy wars and the mighty marauders of the money-market in one troop of self-lacerating penitents with the meaner robber and cut-purse and the murderer that doth his butchery in small with his own hand. No doubt wickedness hath its rewards to distribute; but whoso wins in this devils game must needs be baser, more cruel, more brutal than the order of this planet will allow for the multitude born of woman, the most of these carrying a form of conscience - a fear which is the shadow of justice, a pity which is the shadow of love - that hindereth from the prize of serene wickedness, itself difficult of maintenance in our composite flesh. On the 29th of December Deronda knew that the Grandcourts had arrived at the Abbey, but he had had no glimpse of them before he went to dress for dinner. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
