It is intended to accompany the Course of Study for the Public Schools of Illinois. The matter is largely a reprint of the articles on the Course in History which have been running in The School News for the past two years. The receipt of many kind expressions from teachers in this and adjoining states, relative to these articles, has led to the belief that these notes on the Course in History might be further useful if put in book form. The plan of the book will readily suggest itself to the teacher. Part I. takes up the work of the Seventh Grade. The years work is divided into eight sections. The course for each month is followed by notes, suggestions, and information to which it is hoped will be found helpful to teachers in the preparation of their daily lessons. Part II. deals with the work of the Eighth Grade in a similar manner. At the close of Part II. is found a general review of the two years work.
